

THE RACE TO THE TOP STARTS **NOW.**

WHAT:

Phi Sigma Kappa's Annual Day of Giving not only has grown to support over 75% of the Fraternity's annual education costs, but also has grown into a healthy fun competition for chapters to claim the, in the past, unofficial top of the leaderboard.

To continue promoting healthy competition within the brotherhood, 2024 will unveil the first "Official" *Phi Sigma Kappa Day of Giving Cup*.

This year we will have 3 Divisions:

1. Highest Donor Count- *"Benefactor Division"*
2. Most money raised- *"The Golden Rule Division"*
3. Points Total- *"The Phi Sigma Kappa Day of Giving Champion"*

Rules:

Overall:

- The competition will include all donations given pre-Day of Giving through the Day of Giving Early Bird link and donations given until 11:59 PM pst or 2:59 AM est.
 - This gives our west coast groups a whole day to give as well.
- If a chapter is the points total winner and the money or donor winner, the 2nd place in donors or money will win that division.
- Only donations over \$10 will count towards totals for competition

Donor Count:

- Only 1 Donation per individual will count towards the donor total:
 - For example: If Joe Smith, Ball State gives twice through the day, only 1 donation will count in donor total.

Money Total:

- Multiple donations given by an individual will count towards the money total:

- For example: If Joe Smith, Ball State gives two donations of \$50: all \$100 will count towards the chapter's total.

Points:

New this year, Phi Sigma Kappa will launch the ***"Phi Sigma Kappa Day of Giving Cup."***

The PSK Day of Giving Cup Overall Winner will be decided by the point's total category. Points will be accumulated by a combination of Total Money Raised, and Total Donors. The breakdown is as follows:

- Donors: 10 Points per Individual Donor
- Money: 1 Point per \$10 of Support

Example:

Ball State has 5 donors totaling \$100: 60 Points
